

Deep Creek Landing Campground

Dear Campers:

Enclosed is your Agreement for Use of the RV Site and the Rules, Regulations and Appearance Standards for the _____ camping season. Please make sure you read the documents in its entirety. All documents need to be initialed reflecting you have read, understand and agree to the conditions.

Once your agreements are signed and received, I will sign the agreements and provide you with a copy. Please keep up with your copies as we reserve the right to charge for additional copies.

The Golf Cart Rules and Agreement needs to be completed if you have a golf cart and intend on using it while on the property. Please be sure your insurance company covers you in the event of an accident or damage with the golf cart. We do not keep records of your insurance forms on file so you will need to follow up each year on this requirement.

All motored boats kept at Deep Creek will need to have a completed Boat/Boat Trailer Rules and Agreement completed and on file. If you plan to keep a boat at Deep Creek, you must keep the boat in the boat storage area or remove the boat from the grounds when not in use.

Guest Registration and Information Sheet will also need to be completed. This list is for your family members, which include your spouse, children, grandchild, parents and grandparents who may be visiting with you. Any other person coming onto the property such as aunts, uncles, brothers, sisters, nieces, nephews and friends must stop and register and pay a \$5.00 per day guest fee. Please do not write anyone but immediate family on the guest registration.

We are looking forward to a season filled with wonderful weather, good times and great people. It is our pleasure to have you here and if there is anything we can do to enhance your stay, I hope you will feel free to call on us.

Sincerely,

Deep Creek Landing
